Bystander Training

Jessica Li
Healing United

Fiona Oliphant
Healing United

This training will provide you with the knowledge and foundation about racial justice and what actions you can take when witnessing acts of prejudice, stereotyping, and micro/macro aggressions as bystanders.

- 1) Recognize challenges faced by People of Color
- 2) Deepen awareness about your own privilege and power
- 3) Learn about actions to take in the moment to disrupt or address prejudice and micro/macro aggressions in professional settings
